

We had an eventful year, so here's a little bit about 2009.

- Dave had two emergency surgeries in January.
- We enjoyed kayaking at Upsilon, Jamestown Reservoir and Spiritwood Lake
- Heavy snowfall brought record flooding in our area.
- We sheltered Dave's sister's family during the flood.
- In June, we took a fun trip through South Dakota.
- July brought a trip up to Walhalla to see "Fiddler on the Roof" at Frostfire Theater, and to visit friends in that region.
- We relaxed at the Lake Upsilon cabin and visited the International Peace Garden.
- We visited Storybook Land in Aberdeen and made a splash at their aquatics center.
- We continued home projects by adding new trees, and remodeling the entry.
- We celebrated with friends at their weddings.
- Erin started teaching Sunday school.
- Erin continues to play oboe and English horn in various groups.
- Our new kitchen countertop and sink will arrive by Christmas.

- Dave continues being active across the university system in the safety field.

- Nubs the cat enjoys napping, watching out the window, and eating treats.

- We continue updating our website www.kleinfamilies.net with updates and pictures.

Merry Christmas
&
Happy New
Year!
